Dear Harvey:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Jury indicts 2 men in Nutley sex cult

by Carey Londner
The Herald-News

Two Nutley men, who authorities say were connected to a satanic cult involving sex with orphan boys, were indicted Tuesday by an Essex County grand jury.

John Sileo, 23, of Bloomfield Avenue, and his friend Michael Abidiwan, 19, of Beech Street, were charged in a 14-count in-

dictment with endangering the welfare of children and aggravated sexual assault. Sileo also was charged with making terroristic threats.

Sileo is in Essex County Jail in lieu of \$50,000 bail. Abidiwan is free on bail.

Police charged them with sexual assault on four Nutley boys, ages 9 to 15, after their arrest last November. Sileo, identified as

the cult leader, is charged with threatening a girl who witnessed some of the sexual episodes, according to Essex County Assistant Prosecutor Martin Lieb.

Authorities said the pair used Sileo's apartment, where the boys were whipped, chained, had wax burned upon their bodies and were forced to act like dogs, wearing collars and lapping milk from bowls.

Police said they found several guns licensed to Sileo in the apartment, handcuffs, chains, whips, a dog collar, red and black capes, a rubber mask with horns, sexually oriented material, plastic skulls bearing candles, a satanic bible and a book called "The Mark of Lucifer."

The youths were lured into the group through Sileo's position as

a Boy Scout and community leader, police said.

Police said drugs and alcohol were also used in the recruiting effort. They said the cult operated for two years and wasn't discovered until last November when the parents of some of the children learned what was happening and reported it.

Nutley Police Capt. Donald Casciano said that about seven or

Nutley cultist facing new sex charges

Further charges will be filed against a 22-year-old man arrested last week in connection with a devil-worshipping sex cult involving at least 35 teenagers, Nutley police said yesterday.

"At this point, this is far from over," Acting Police Chief Robert DeLitta said.

John Sileo of 168 Bloomfield Ave. was arrested after police raided his home and confiscated various drug paraphernalia and sexually oriented material, DeLitta said. Also taken from Sileo's residence were three rifles and two handguns, which police said Sileo legally possessed.

Sileo was charged with three sex offenses and is being held in the Essex County Jail, Newark, in lieu of \$75,000 bond.

An investigation into Sileo's activities was started three weeks ago when some of the parents of the teenaged victims complained to police, DeLitta said.

Sileo lured his victims, who ranged from 15 to 17, with drugs and alcohol, said Det. Sgt. John Holland, in charge of the investigation.

"I realized we were becoming a cult," Holland quoted one of the female victims as telling him. He said Sileo apparently used a form of devil worship as an initiation ritual. Found in Sileo's home was a crimson-colored robe and a pair of horns, Holland said.

Sileo had been involved with the Boy Scouts in Nutley and been associated with other civic organizations, Holland said.

Dear Michael:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Gentlemen:

The enclosed news article refers to Mr. John Sileo, 168 Bloomfield Ave., Nutley, NJ 07110, Birthday May 1961, formerly registered as a Den Assistant in Pack 145, sponsored by Padcliff School PTA, Nutley, from October 1980 to October 1981.

Mr. Sileo has been denied registration locally due to a Neurological Impairment which causes difficulty in relating and functioning as an Adult Leader. We did not and could not find any indication of moral problems as indicated in this article. Pack 145 registered him as an Assistant; however, soon after registration, did not allow him to continue in their activities. His problems were reviewed with the Nutley Family Services Agency over the past 3 1/2 years and we have avoided registering him except for this aforementioned period since he was a Scout in Troop 159, a Troop for the mentally handicapped, when he was under 17 years of age.

Michael Abidiwan is an Eagle Scout as of July 29, 1982, and is currently registered as an Assistant Scoutmaster in Troop 147, sponsored by Franklin Reformed Church, Nutley, N.J. until February 1984.

I have informed their Troop Leaders and Church Pastor that we are suspending his membership and requesting his membership card and Eagle credentials and badge be returned.

The Detective in charge of this case will furnish additional information including both men's description in the first week of December and I will forward the full report to you at that time.

Thank you for dropping me a note concerning the above-named individuals. I am sure you were most confused in getting this letter so let me give you a little explanation.

These individuals both lived in Huttley and were involved in scouting with Council 333. This all took place before the council merger was completed.

These individuals have been charged with sex offenses and we would like to know the outcome of any legal action which took place. It would be very helpful to us to determine if sentencing took place and what the sentencing involved. The original cases started in 1983 and there was communication with the council during '83 and '84.
